SAFETY  
INSTRUCTIONS**

**READ AND SAVE THESE  
SAFETY INSTRUCTIONS  
BEFORE USING THIS AIR

2. Place air purifier where it is not easily knocked over by persons in the household.
3. Always turn the air purifier to the **OFF** position and unplug from the wall outlet when not in use.
4. To disconnect the air purifier, first turn control to the **OFF** position, grip the plug and pull it from the wall outlet. Never pull by the cord.

6. Do not use air purifier outdoors.
7. Never use air purifier unless it is fully assembled.

8. Do not run power cord under carpets, and do not cover with throw rugs. Arrange cord such that it will not be tripped over.
9. Do not use air purifier where combustible gases or vapors are present.
10. Do not expose the air purifier to rain, or use near water, in a bathroom, laundry area or other damp location.
11. The air purifier must be used in its upright position.

16. Do not sit, stand or place heavy objects on the air purifier.
17. Disconnect power supply before servicing.

**WARNING: To Reduce The Risk of Fire or Electric Shock, Do Not Use This Air Purifier With Any Solid-State Speed Control Device.**
